Somos uma empresa alemã com atuação global, que há mais de 160 anos está focada no melhoramento de plantas. Presente em mais de 70 países, nossas sementes e assistência técnica nos tornou, por gerações, o parceiro confiável dos produtores.

Como especialistas em sementes, buscamos diariamente maximizar o potencial genético e oferecer sementes de alta qualidade. Para isso, trabalhamos continuamente na pesquisa e desenvolvimento de novos produtos para as culturas de milho, soja e sorgo.
